

Texas Tribune Festival Housing

The Texas Tribune Festival has blocked guest rooms for registered attendees at the AT&T Executive Education and Conference Center and other nearby hotels.

These rooms must be reserved through the Texas Tribune Festival Housing Department. Rates and availability are displayed in step 2 of the booking process. Click "overview and amenities" to see more information about the hotel.

After you register online and your registration is paid for, you can request your hotel accommodations from the same shopping cart you used to purchase your registration:

How to Book from your Shopping Cart

Log into the shopping cart that was used to purchase your registration. Click on the "Texas Tribune Festival Cart" tab and choose "Hotels" at the bottom of the drop down menu. Your cart will list all badges that have been purchased and there is a link to "Request Hotel" next to each registrant. That link will allow you to request your hotel accommodations and will pre-fill your contact information. Simply enter your dates and choose a hotel and room type that is offered on the drop-down list based on those dates.

You will be required to provide a valid credit card to guarantee the reservation, but the hotel will not charge at the time you reserve your hotel. You will be responsible for providing a method of payment to the hotel when you arrive to check in.

A limited number of rooms are available at these rates. We encourage you to book your hotel accommodations as early as possible as they are sold on a first come, first served basis.
